

Dear colleague!

You are cordially invited to participate in the 2nd International conference in memory of professor Valery Komarov «The issues in mechanics of pulp-and-paper materials».

The principal objective of the Conference is to bring together scientists, researchers, experts concerned with scientific and technical exchange in the pulp and paper industry.

Conference organizers

- Ministry of Education and Science of Russian Federation
- Ministry of Education and Science of Arkhangelsk Region

- Northern (Arctic) Federal University

Sponsors of the Conference

- Open Society «Arkhangelsk PPM»
- CC «Incorporated paper-mills»
- BCT-Service Ltd
- JSC «OPTEC»

Inform support

- Journal «Cellulose. Paper. Cardboard.»
- Forest Journal

Conference scientific program

Sessions will include the following topics:

- **Physical bases and methods of evaluation of mechanical behavior of pulp-and-paper materials;**
- **New strategies for improving the mechanical properties of technical cellulose, paper and cardboard;**
- **Prospects of save-resource methods for producing paper and cardboard from the recycling raw materials;**
- **Using «biorefining» and "green chemistry" in the processing of plant raw materials;**
- **Nanotechnology in the development of new paper-like materials based on mineral fibers and polymers.**

It is planned to hold plenary and specialized sessions. Papers are also invited for the poster sessions. It is also planned to publish the volume of abstracts. All delegates will be sent one copy free of charge.
